Subject: FW: Prep WRA/McGrath meeting

Bob,

Suzanne Bohan recently informed me that Shaun will be meeting with WRA on Monday morning (at WRA's Boulder office) to discuss (1) PacifiCorp's compliance with the proposed WY regional haze rule, (2) proposed water projects in Colorado, and (3) applicability of RCRA to oil shale development projects in Utah. This Thursday's meeting will be a briefing for Shaun in advance of that meeting. I'll be out, but if you're available, you'd probably want to attend. Given the sensitivity of the WY RH matter, I've let Sara know about this meeting, and she'll be working with the client on the briefing paper. Suzanne will apparently work on the water projects portion of the briefing paper (given the NEPA nexus). Jasmine would typically work the RCRA component, but she's out this week. I'll hunt around for someone who has RCRA experience.

It might make sense to have Sara and Jasmine's backup attend tomorrow's meeting with you, too.
